Step 1: Get Your Team ID Number

A Team ID number is required. If your team has forgotten your ID number or don't have one please call 480-644-2352, Mon-Thurs between 7am – 6pm.

Step 2: Submit Your Roster

Rosters must be submitted before registration or within 24 hours of registering your team. A roster must include: Names, Addresses, and Telephone numbers of ALL players. A minimum of 12 players are needed to register; maximum of 20. Minimum age to play is 16.
Schedules will not be posted until all rosters from that league are turned in!

Step 3: Make sure you know which league to sign up for!

"B" class is our entry level league. All new teams must register in the "B" class or higher!

League Classification

"A" Class—Strong skill level competition

"C" Class—Low skill level competition

"B" Class—Moderate skill level competition

"D" Class—Lowest skill level competition

Pre Registration

League winners from the **2010 spring** season will be allowed to pre-register their team for the summer season on Tuesday, April 13th, 2010 from 8:00a – 5:00p by calling 480-644-2352. These teams must move up into the next higher division or they may be dropped from the league without a refund. League winners from the "A" league will be allowed to pre-register back into the "A" league since this is our highest division. You are not allowed to pre-register in the summer season if you were not a league or tournament winner in the spring season.

If a team won their league, but wishes to start a new team in the same division, they will only be allowed to keep a maximum of 3 players from the previous season's roster; otherwise they may be dropped from the league without a refund. Pre-registration is **NOT** an option for teams who change their roster and stay in the same league. (Changing your team name and/or coach does not qualify as changing your roster).
